## ANNUAL GENERAL MEETING

On May 14, 2024, at 6:30pm, PAC will hold their Annual General Meeting (AGM). This is the meeting where new executive members will be voted in and budgets will be discussed for the 2024/2025 school year. Without the PAC, there would be no grants or funding provided as support to our school.

All positions will need to be filled, and we will also be requiring someone who will carry on with the fundraising events, which this year have purchased the cart used for popcorn days (as well as the supplies), \$10 per student to go towards year-end trip to the waterslides and more!

The executive positions include: Chair, Secretary, Treasurer, DPAC Representative and Vice Chair. A description of these positions can be found by taking a look at the Constitution & Bylaws found on the school's website, [here](#).

## TRANS MOUNTAIN GRANT

The Trans Mountain Community Investment program offers up to \$5000 per organization and is designed to address the needs of communities. Stitō's PAC has received the full \$5000 this year and will look for opportunities to use these funds to support families in need within our school community.
