June Edition

## What's been going on?

Grade 6's:

Our grade 6 bands have been hard at work to get their 2 songs prepared for our concert on June 17th. This is when we also make the jump to the next difficulty of music, and they have been doing an awesome job.

Grade 7s & 8s:

The grade 7s are in good shape to take over next year, and I think they will be able to reach far! They have been given a big challenge with their year end songs and are looking forward to their concert.

The grade 8s are hard at work pushing their playing further as some of them get ready to continue in high school. Their last concert should be a blast!

End of year:

This is a great time for students who are not in the Summer learning program to take instruments in for a cleaning and service to ensure they are in good working order for september.

## Important Reminders

Band performances are a mandatory part of the course. If a student must be absent, they must be excused by a parent or guardian. Failure to communicate will result in an Emerging grade for the term.

The band room is always open before the bell, at lunch, and after school should students need 1-on-1 help or wish to practice with friends.

Current grade 6 and 7 students who are in band are automatically enrolled in next year's Band program. If your student is not continuing, please let me know via email at [brad\\_patrick@sd33.bc.ca](mailto:brad_patrick@sd33.bc.ca).

Summer Learning: Any Band students at Stitós who are interested in the Summer Learning Band program, please check out [sd33.bc.ca](http://sd33.bc.ca) → programs → Summer Learning to find out more!

## Upcoming Dates

Please note that the year-end concert date has been shifted. Unfortunately, there was a scheduling conflict with June 10th, and so it has been shifted 1 week back. This was sent out in the May newsletter as well.
