October Edition

What's been going on?

October is always a busy month with sports taking off, Thanksgiving right around the corner, and Pro-D days. Please encourage students to stay on top of practicing, especially for our beginners. The more time they invest in playing now the easier the rest of the school year will be for them.

Grade 6's:

The grade 6 Band students are well on their way learning their first few notes and getting a handle on Music Theory. Practice record sheets have been give to students to be completed weekly at school or at home.

Grade 7 & 8's:

Band 7 & 8 students are hard at work preparing thier songs for our first concert in Decemeber. Both grades will be competeing in the Local music Festival in March and the Grade 8 band trip is planned to go ahead to Sun Peaks.

More information will come as I recieve it.

Important Reminders

Grade 6 Band students should all have their books now or atleast have them ordered as we will need them for class going forward.

Band performances are a mandatory part of the course. If a student must be absent they must be excused by a parents or guardian. Failure to communicate will result in a Emerging grade for the term.

The band room is always open before the bell, at lunch, and after school should students need 1-1 help or wish to practice with friends.

Students are allowed to store their instrument in the Band room storage room.
